## Announcement

October 8, 2021

### Judiciary and Staff COVID-19 Vaccination

All judges and other judicial officers in the Court of Appeal, Supreme Court and Provincial Court of BC have received the full series of accepted COVID-19 vaccines, or a full series of a combination of accepted COVID-19 vaccines approved by the Government of Canada.

All judicial and court staff, as well as service providers accessing the secure (non-public) areas of all courthouses will be required to have received the full series of accepted COVID-19 vaccines commencing November 22, 2021. This is consistent with the recent BC Public Service announcement that as of November 22, 2021 all public service employees, including court staff, will be vaccinated.
