Disclaimers

1. This picklist is intended to be used as a guide, not as a menu of options to select from in any given case. It sets out suggested standard wording for common types of conditions that arise; however, other than any compulsory conditions, many will not be appropriate in every case. Judges always have discretion in deciding how the law should be applied. They may or may not choose to use the picklist wording.
2. Anyone referencing the picklist is required to read the picklist number, if there is one, and the complete wording of the condition on the record.

Introductory Statements

1. Section 732.1(3)(h) provides for the imposition of any reasonable conditions that are desirable “for protecting society and for facilitating the offender’s successful reintegration into the community.”
2. Some conditions contain exceptions or options that may or may not be applicable depending on the circumstances.
